

# Bentz

Jeff Miller | 2005

Un'impossibile linea continua che definisce una forma imponente eppure leggera, scultorea eppure funzionale.

Tavolo e coffee-table con base in fusione di alluminio e piani in cristallo temperato circolari, quadrati o ellittici o piano tondo in listellare cartellato in MDF.

Disponibile in due altezze (tavolo da 72 cm e coffee-table da 35 cm).

Base disponibile in due finiture: alluminio lucidato, o verniciato nei colori RAL 5014, RAL 9018, RAL 6012, RAL 6003.

Materiali:

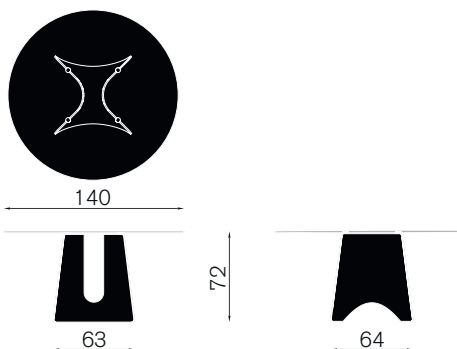

Base: fusione di alluminio

Piani: cristallo temperato o listellare cartellato in MDF
