cod. 297/B

Luce in movimento. Sale, scende, ruota, si capovolge, all'infinito.  
Grazie al dispositivo touch, basta un semplice tocco e si accende,  
basta decidere cosa e lei lo illumina.  
LED integrato 2,5W

Light in motion. It moves horizontally and vertically, and flips over, endlessly.  
All you need to turn it on is a touch and decide what you'd like to highlight.  
Floor lamp in white finish with touch switching; integrated 2,5w LED
