Chantal includes a comprehensive range of coloured epoxy and polyester powder coatings. We grant a smooth and consistent finish with a deep and lasting luster, however just as with the paint on your own car it will still scratch and chip if it is subjected to impacts, especially around the edges. If you order Chantal chairs with the painted finishes your products will be cleaned and keenly inspected before leaving our factory in robust individual boxes to avoid any possible damage that could occur in transit. Sitia will not be held responsible for any damage caused to these shells in use.

Available FSC® certified

COUNTRY OF PRODUCTION:
 Italy

ENVIRONMENT:
 Indoor

WARRANTY:
 5 years
