STANDARD FEATURES

Vania is a practical and functional desk designed for the corner of the house dedicated to home working, for the office area or classroom tables for training and meeting.

Standing between home and professional furnishings, it features a painted metal frame, to match perfectly the environment where it is introduced. Thanks to the wheels, located at the rear of the structure, it can be easily relocated inside a room. In the under-top there is also a container compartment for storing digital devices or magazines.

FRAME

Steel frame, rectangular section 31x17 mm.

Frame finish: embossed epoxy-polyester powder coating, with double coat anti-scratch treatment average thickness 50 microns.
